

The Education Standards Board is committed to a contemporary approach to regulating education and early childhood services, to support the best interests of children and young people, their families and our other stakeholders.

We value our role in assisting families to access high-quality education and early childhood services. This supports the commitment of the South Australian Government to strive for excellence in every child and young person's growth and learning and development.

## Strategic priorities

Regulate schools, student exchange organisations and early childhood education and care services with a risk-and-standards-based approach:

- Rate and monitor services for compliance against the National Quality Framework.
- Determine applications under the National Quality Framework.
- Respond to non-compliance against legislation within the Board's remit.
- Regulate student exchange organisations.
- Register and review registration of schools.

Positively engage with stakeholders:

- Influence legislation and policy for education and early childhood programs and services.
- Provide advice and guidance to early childhood providers and services and schools to support compliance.

Support our people and improve our business:

- Continually improve our practice.
- Protect the welfare, health and safety of our team.
- Demonstrate a commitment to reconciliation.

## Our vision

Making a positive difference to the lives of South Australian children and young people by ensuring they have access to high-quality education and early childhood services.

### Values

The Education Standards Board will uphold public sector values through its decisions, actions and interactions. In addition, we are committed to our values:

**Honesty & integrity:** We are consistent and fair in our actions to encourage openness and transparency

**Professionalism:** We have a culture that strives for excellence and aims to improve productivity

**Sustainability:** We respond to change and proactively improve

**Collaboration & engagement:** We collaborate in our work practices

**Accountability:** We make decisions that comply with legislation, are ethical and are consistent with approved policy and procedure.
